## INFLUENCE READINESS SCORING SHEET

## **Calculate Overall Influence Readiness**

Enter your Overall Influence Readiness Total (from page 1), divide by 5 = Influence Readiness \_\_\_\_\_ ÷ 5= \_\_\_\_\_

Below 4 in Any Influence Category	Influence Score < 4	Influence Score > 4			
If your score is below 4 in any of the influence skills categories, we recommend you pay attention to doing things that will increase your influence strength in that/those area(s).	If your overall Influence Readiness score is less than 4, we recommend you focus on preparing more before you attempt to influence your key stakeholder.	If your overall Influence Readiness score is equal to or greater than 4, you are ready to go forth and influence.			
Research shows that it takes at least 8 positive impressions to overcome a bad first impression.
